

Changing Your Password for the SWCL site:

First, login using your username and current password

Next, Click on "Profile"

Changing Your Password for the SWCL site:

Click on “Set New Password”

The screenshot shows the WordPress admin interface for the SWCL site. The browser address bar displays `swcl.org/wp-admin/profile.php`. The left sidebar contains navigation options: Dashboard, Posts, Events, Teams, Players, Staff, Profile (selected), Tutorials, Video Tutorials, and Collapse menu. The main content area is titled 'Profile' and includes sections for Profile Picture, Account Management, Application Passwords, and Team Access. The 'Account Management' section contains a 'New Password' subsection with a 'Set New Password' button highlighted by a red rectangle. Below it is a 'Sessions' subsection with a 'Log Out Everywhere Else' button. The 'Application Passwords' section includes a text input for 'New Application Password Name' (containing 'WordPress App on My Phone') and an 'Add New Application Password' button. The 'Team Access' section has a 'Team' dropdown menu (showing 'River Valley 1 S56 X') and an 'Update Profile' button. A footer note reads 'Thank you for creating with WordPress.' and the version number 'Version 5.7.2' is visible in the bottom right corner.

Changing Your Password for the SWCL site:

Enter in your new password here

If the Software thinks your password is weak and you wish to still use it, click on "Confirm use of weak password"

Click on "Update Profile"

-Your new password will take effect going forward
